CHICAGO LOCK CO.

6 DISC TUMBLER

CHICAGO LOCK CO.— now proudly presents a new line of 6 Disc Tumbler Locks, perfected for these applications where *security* is of prime importance and *economy* is also a major concern.

Check These Features

1. **6 Tumblers—guided keyway construction**
2. **Two thousand key changes regularly available**
3. **Can be master keyed**
4. **No increase in body diameter or length over conventional 4 and 5 tumbler locks**
5. **Excellent for locker, tool box, post office, institution or other multi-unit installations**
6. **Available one-way 90°, two-way 90°, two-way 180° key pull. Specify which key pull when ordering.**
7. **If clip type mounting is required, specify gage or metal thickness in which lock will be mounted.**
